Subject: Parkersburg Ames Warehouse - air analytical not loaded yet
Attachments: 2017 10 25 Ames Fire Summary.tiff

Just FYI- I don't see any other detects in field monitoring today, just PM (see screenshot).

I see a spot on website for analytical (39 minicans; SO₂; PAHs / 35 field samples 4 blanks collected on 10/23) but results aren't loaded yet unless I am missing that somewhere. Lora
